**Question:** is there a way that we can combine efforts to apply for funds as a large group?

- a tribal transportation plan, using the MPO as a stakeholder, identify the priority projects before going to the COG. Start a master plan and break it down to projects per year.
- Involve ADOT/ FHWA/ BIA/ WACOG and COG & MPO in discussions with tribal representatives. Officials and staff

**Question:** Could a PARA study make a recommendation to hire personnel to be the application grant writer?

- ◆ Partnering is great.
- ◆ Good job ATSP planning team; I was glad to see the good turnout.
- ◆ It was a very good forum.
- ◆ This Forum was excellent. I thoroughly enjoyed all.
- ◆ There is a tremendous potential for a long term partnership because this a part of the State that has been neglected. There is also a lot of interest from the partners.
